\* In the interest of billing judgment, \$48,113.04 was written off for the period December 1, 2009 through December 31, 2009. These fees reflect these reductions. Therefore, the fees cannot be replicated by multiplying the hours billed by the billing rate. These write-offs include approximately \$5,056.75 related to non-working travel and a \$28,000.00 credit on the December 2009 bill by agreement with the Debtors. The credit was applied pro rata to all of the time billed for the month. The billable rates in this spreadsheet reflect this reduction. Please refer to the monthly application for the time keeper's full billable rate.

\*\* The local non-working travel time included in this entry has been billed at one-half the timekeeper's regular billable rate. The billable rate shown accounts for this reduction for the travel time shown herein as well as other adjustments discussed above. Ms. Mallon's regular hourly rate is \$415.00. Mr. Webb's regular hourly rate is \$635.00
